## Members News Update 2009

Here we are at the start of a new shooting year so let's make it a good one both for our club and Horsford Range. A committee meeting was held in January and a considerable amount of points were raised for discussion resulting in the following decisions:-

---

### Shooting Programme 2009

#### 1<sup>st</sup> Sunday AM

*To be retained for clays shooting down the range from the 100 yard point. We also intend to keep the 3 x safety frames assembled at the 100 yard point to save setting up time.*

#### 3<sup>rd</sup> Sunday AM

*This will be a combined shooting day with the butts range for approved types of firearm and clays shooting from the left hand side of the range.*

**NOTE:** This will now become our approved GUEST DAY. Any guest without a current licence may ONLY SHOOT ON AN POLICE APPROVED GUEST DAY.

#### 4<sup>th</sup> Sunday AM

**SPLIT DAY** – 100 yard .22 rifle/Air Guns and a Single Clay firing point **10am to 11.30am**  
25 yard Butts Range & Side Clay firing point **11.30am to 1.00pm** \*

\*25 yard range (.22"inch Rimfire & antique weapons 2,000 ft/s 350 ft/lb Rifle & carbine 2,850ft/s 2,610ft/lbs)

---

### Clay Shooting

The new side traps seem to be working well and it was agreed at the last meeting to buy some additional equipment to help make the clay shooting as interesting as possible.

## MEMBERSHIP 2009

**Don't forget  
to renew your  
membership**

The committee propose that membership shall remain at £45 for the year which continues to be very good value when compared with other clubs. Green fees shall also remain at their current rate. Members £6 & Guests £10 (*Subject to agreement at the AGM*)

**Membership will be due for renewal as of 1<sup>st</sup> April 2009 – You will find an application form with this news letter so please renew ASAP.** We already have a range to be proud of and we hope to get a 100yard full bore range certificate during 2009 which will be the 'icing on the cake'.

**AGM -Tuesday 31<sup>st</sup> March** It was agreed at the last committee meeting to hold our AGM at an outside location which would not affect shooting and also be warmer!! We have opted for the Top Flight bar at Norwich Airport 7.30 for start at 8.00 pm . Bar will be open.

**Top Flight Bar**, Hangar 10, Gambling Close, Norwich Aviation Centre, Norwich, NR6 6EG

*Turn off the Cromer Road towards the terminal and at the first roundabout turn left by the park & ride follow the road by the wire fence until you get to the first building on your right go up the stairs at the side and then left at the top in to the bar.*

Finally!! A word of thanks to everyone (*on & off the committee*) that make the effort to help Set-up, Clear-up and R.O. etc, the club can only function with your help
