Christmas Shoot to be agreed

HORSFORD RANGE UPDATE

A considerable amount of work has been done at Horsford Range over the past year with the clay shooting area completely refurbished. The butt's area range is also nearing completion.

PLEASE NOTE

We hope to have additional shooting disciplines at Horsford Range during the 2008 period; therefore, this shoot list is not definitive and may have to be updated.
Clay shoots remain as listed.

All members will be advised ASAP of any changes

NEW MEMBERS – GUEST DAY

To encourage new members we need guests to be able to try clay & .22 shooting. To do this we have to book guest days with Norfolk police (Up to 12 per year) with this in mind we plan to make the 4th Sunday a pre-booked Guest Day to promote the club to new members. Make the most of it !

How to find the range

To find Horsford Range drive out of Norwich on the Cromer Rd. passing the airport to your right. After leaving the built up area you will come to a large roundabout, take the B1149 Holt Road. Continue until you enter Horsford Village carry on right through the village until you see a wooded area approaching. At the cross roads, TURN RIGHT ignore the car park and follow the narrow lane (GREEN LANE) for apx 300 yards WATCH FOR A TURN TO YOUR LEFT this is the range entrance. Continue until you see the firing point.

**AS A VISITOR, YOU MAY PASS THE RED FLAG & WARNING SIGNS VIA THE RANGE ROAD ONLY.
NO OTHER ENTRANCE MAY BE USED**

**Horsford Range is an environmentally approved site.
ONLY USE FIBRE WAD SHOTGUN SHELL'S**
